****Please list instrument(s) you will play during your audition:** _____

Please take a moment and answer a few questions. Be real, be honest, and remember this is not a test, just a way for the VNC Creative Arts staff to get to know you better.

Connect

Tell us about yourself, your family, your job, and what brought you to VNC?

What are some of your hobbies or interest?

When you look at yourself, what would you say are your strengths and weaknesses? This is not a question of skill or ability in regard to this department, but a question of how you see yourself from the inside out.

Grow

Are you a believer or are you still investigating what that means?

What are you doing as an individual to continue moving forward in your spiritual journey?

Serve

On the first page you marked what role(s) you are interested in. What kind of experience or background do you have in that area, if any?

What is your motivation to be a part of the Creative Arts ministry at VNC?

What does the word “worship” mean to you?

What does it mean to *lead others in worship* during a VNC service?

How could we be praying for you?

Thank you so much for taking the time to fill this out. We will read it and will make it part of our conversation in the interview/audition process.
